From the President's Desk

This was a surprise welcome for me as Antaranga MC Committee nominated me as President for the year 2023-24 and handed over the responsibility to lead the new MC team to organise the Durga Puja and various socio-cultural events held around the year.

By the grace of Ma Durga we had one of the most efficient MC Team that I have been part of. The team consisting of experienced and devoted members showed perfect team work. I am thankful to the entire ladies team who looked after the main Puja activities and Moolbhog. The teamwork was wonderful which made the five days of Durga Puja and Kali Puja celebrations a great success.

We all wait the whole year and look forward to participate in the Durga Puja starting with Ananda Mela an event we all love to participate in as local ladies display their culinary talents with various snacks and food offerings. Each year we experience some new innovation on a variety of food recipes presented by the ladies.

During the annual Durga Puja festivities the days are fully loaded with a variety of cultural programmes performed by artistes local and from Kolkata. At day time we hold events like children's recitation and drawing competitions, quiz contest, shankhdhwani and alpna competition for the ladies. The events culminated with handibhanga (hitting the pot blindfolded) on Dashami evening.

Antaranga Durga Puja is most popular amongst people both Bengalis and non-Bengalis due to three days of bhog prasad distribution, competitions, cultural programmes and various food and activities stalls.

I am happy to note that Antaranga celebrated 31 years of Sarbajanin Durga Puja in 2023. I am confident this joyful journey of bringing the community together and upholding our cultural traditions away from our roots will continue for at least another 30 years.

Taking a trip down memory lane, one thought casts a shadow: despite the wealth of talent and potential in Mayur Vihar Extension, our club still lacks a permanent home, a place for quiet reflection in a library or joyful competition in an indoor games hall. We have to try hard to achieve this goal in 2024-25.

Our Antaranga is a charitable socio-cultural organization having little financial backup depending wholly on our esteemed members' and patrons' contributions who have been a driving force to date. However, many active members have either left for their heavenly abode or migrated elsewhere resulting in a shortage of both manpower and financial resources.

We need to infuse fresh blood by actively involving new members and young people to come forward and share the responsibilities.

In view of the financial crunch, we are forced to rethink how to manage the costs and ensure that we keep holding the Durga Puja and other puja celebrations at a grand scale that everyone enjoys.

To overcome this scenario, we must take certain corrective measures such as introducing a coupon system for bhog distribution. I propose to issue these coupons at the time of collection of Durga Puja Chanda as already been implemented over the years by various well known Puja Committees in Delhi including New Delhi Kali Bari, and CR Park to name just a few.

As you are aware, we do various social works like organizing free eye camp, blood donation camp etc. We also collect pre-owned clothes, shoes, toys etc. in association with Goonj the well-known NGO.

I request all of you to actively participate in the Antaranga socio-cultural club activities around the year to help build a more inclusive community and uphold our cultural traditions away from our roots.

Your active participation will contribute to fostering an inclusive community and preserving our cultural traditions.

Looking forward to many more younger people coming forward and joining us in making a meaningful impact!

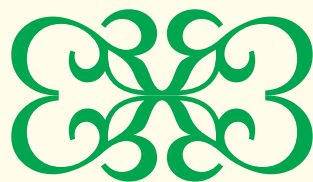

Best wishes,

Samar Roy
